## WPA STRIKERS GET NOTICES OF DISMISSAL

**Wages In North To Be Decreased, Those In South Increased**

**LONGER HOURS HIT**

**A. F. L. Objects To Making All Employees Work Same Time**

While the A. F. L. high command seemed to have been slow to realize the gravity of the emergency, the new relief act has granted WPA strikers received a chance to prove their worthiness for getting the job for the time being.

William Green, A. F. L. president called a strategy meeting in Washington to decide what demands to present and the president sanctioned negotiations by delegation to the states.

The WPA group, for example, on the number of workers involved in it, a survey of all labor groups in the several states had made arrangements of the new deal.

The strikers protesting the new requirement that all WPA employees work 10 hours a day were ignored by WPA Commissioner E. C. Harting, too, as he conferred in Chicago with state administrators on other sections of the new deal.

Harting said he was reduced September 1 to 10 hours a day, but the limit could be increased. The law provides that differences in WPA rates in various sections shall be no greater than 10 per cent of the cost of living, so that the present national average of \$22 a month would change.

The first A. F. L. was entered because of the WPA's failure to demand higher wages, according to WPA to have been in the same basic rate as similar workers in private employment. The A. F. L. group wants to make sure that the new deal is not an excuse for the public to discriminate in pay scale or in the public service.

A telegram to petitioning Congress for reduction of the tax was drafted in the A. F. L. office yesterday after the A. F. L. was asked to do so by the strikers. Details of the demands will be known.

'MAN' IS WOMAN'

## WORST PART OF TOUGH SALVAGE JOB COMPLETED

**Extreme Care Used As Squalis Starts Upward Movement**

**50 HOSES ATTACHED**

**Seven Huge Lifting Pontoon Used In Raising Craft**

**PORTSMOUTH, N. H., July 13.—(P.** The most difficult step in one of the toughest salvage jobs in the United States navy history was completed today when the submarine *Squalus* and its cargo of 26 bodies were lifted from the ocean floor in a cradle of pontoons.

A burst of air bubbles showing that the pontoons were rising was sighted alongside the salvage ship *Falcon* at 10:05 a.m. eastern standard time.

The water was literally churned as the bubbles broke free from above the bow of the submarine and two minutes later bubbles began to rise from the stern.

The full length of the *Squalus* was not pulled free immediately, however, and the pumping of high pressure air into some of the pontoons was slowed until the craft could be leveled.

The full length of the boat first was raised free of the ocean floor and the men manning their air hoses worked carefully on the stern pontoons lifting first on one side and then on the other.

**SALVAGE CREW BEGINS PUMPING AIR INTO CRAFT**

**PORTSMOUTH, N. H., July 13.—(P.** A stiff wind-to-the-starboard salvage crew began pumping air into the U. S. Submarine *Iola*, in a dangerous and delicate three-hour effort to lift the partially flooded submarine and its crew of 26 dead from the ocean floor.

Efforts had almost to the minute after the *Squalus*' fatal plunge Rear Admiral C. W. Cole signaled at 7:30 a.m. eastern standard time the start of the delicate operation.

High pressure air from the salvage ship *Falcon* was forced first into the submarine's ballast tanks and then, slowly, into seven huge lifting pontoons arranged at different levels above the craft.

Associated Press observers on a telephone equipped private craft at the scene could hear the thumping

**3 AIDS NAMED BY ROOSEVELT**

**Remaining 'Assistant Presidents' Will Be Appointed Soon**

**WASHINGTON, July 13.—(P.** President Roosevelt's initial selections for newly-authorized assistants with a passion for anonymity brought into the lime-light today one of the authors of the New Deal's spending theories, a civil service expert, and a White House hand-man.

The first three named by the president to the new \$10,000-a-year jobs created in the reorganization program were Lauchlin Currie, 37, economist of the federal reserve board; William H. McReynolds, 57, administrative assistant to the secretary of the treasury, and James H. Rose, Jr., 30, assistant to Brigadier-General Edwin M. Watson of the White House secretariat.

The resolution reads as follows:

"Whereas, it is proposed by Governor Earl K. Long to abandon the use of tokens as a medium of collecting the Louisiana one per cent sales tax, and,

"Whereas, it is understood that the governor proposes to poll the members of the legislature to secure their concurrence in this proposal, therefore, be it

"Resolved, by the Chamber of Commerce of Monroe and West Monroe:

"Three more assistants will be named later. The general expectation is that, like the first group, they will be career men rather than having political background.

The Currie appointment brings directly to the White House for the first time one of the New Dealers who,

**FACULTY MEMBERS TO DISCUSS SCANDAL**

**BATON ROUGE, La., July 13.—(P.** A group of about 130 Louisiana State University faculty members comprising a branch of the American Association of University Professors announced plans to discuss the school scandal Monday night.

The chapter, representing one-third of the faculty, will "take up several matters rising out of the present investigation," the announcement said.

A petition signed by faculty members advancing suggestions for thoroughly divorcing L. S. U. from politics is expected to be a major subject discussed. This petition was publicly presented to university authorities last week after speech-making Tom Dutton of Baton Rouge, president of the alumni federation and a former football star, had advanced several identical proposals.

The petition suggested that "politics be taken out" of the appointment of board members, advancement of faculty members and awarding of scholarships.

**TORSO' SUSPECT TO DENY SLAYING**

**CLEVELAND, July 13.—(P.** Fred P. Soukup, attorney for Frank Dolezal, indicated today that the brawny bricklayer accused of hacking up the body of Mrs. Florence Polillo in the third of Cleveland's 12 bizarre "torso murders" would deny the slaying when the case goes before the grand jury late this month.

Sheriff Martin L. O'Donnell, whose wife swore out the warrant charging Dolezal with first-degree murder, has declared he holds two confessions signed by the suspect.

Soukup said Dolezal denied killing Mrs. Polillo or any of the other 11 headless dead.

"He denied the Polillo killing," Soukup said. "He denies he is the torso murderer. He says he was in a daze when he made the confession. I know a lot about how the confession was obtained, but I am not prepared to say anything yet."

"I am not prepared to say he was beaten up either."

Soukup said that at his request Dr. J. Sternick examined Dolezal and did not find any evidence of injury on the suspect, but "he did find Dolezal is subnormal mentally."

**FAITH CURE' HELP SOUGHT BY SCORES**

**NEW YORK, July 13.—(P.** Scores of afflicted persons flocked to the new grotto of Our Lady of Lourdes in the Bronx today after hearing of the "faith cure" of Mrs. Anthony Geraci, wife of a tailor.

After bathing her crippled leg in the grotto spring, Mrs. Geraci discarded her steel braces and cane, she said, and walked normally. She had dragged her leg for 14 years.

Her husband, who lost his faith in 1908 when an earthquake hit Italy wiped out his entire family, went to church yesterday for the first time in 31 years. He said his wife's recovery was "a miracle of God."

"I can't explain it any other way except that it is a miracle of faith," said the Rev. Pasquale Lombardo.

Several crippled children, carried by their mothers, were among those who came to the grotto seeking recovery.

## TRADE SCHOOL COURSE GIVEN

### Thirty-Seven Teachers Of State Enrolled At Natchitoches

NATCHITOCHES, La., July 13.—(Special)—Thirty-seven teachers in Louisiana trade schools under the state board of education are enrolled in the first annual one-month training conference on the campus of the Louisiana State Normal college here.

Held under the direction of H. C. Givens, director of the local trade school, the annual institute has as its main objective the presentation of a background of teaching skills. General group discussions and conferences by faculty are listed daily during the one-month meet which will terminate on July 29.

Following are the teachers enrolled in the special conference here: Shreveport Trade school: F. L. Miller, J. E. Lewis, J. Bowring, J. W. Morris, H. F. Bush, R. M. Head, G. W. Madore, N. H. Peterson, T. L. Anderson.

Southwest Louisiana Trade school: Crowley: John W. McNeely, George Brumley, J. G. Rogers, Arthur Branch, Roy B. Jones, Walter M. Clegg.

Houma: P. L. King, M. C. Polk and Max Yarbrough; B. F. Sneed, Tex Hines, W. A. Reed.

Natchitoches: Mrs. W. H. Givens, F. J. Miller, F. C. Padlock, Alice Peeler, R. H. Truett.

Saint Mary's: Mrs. T. J. C. Boudreau, F. H. Foy, J. L. M. Hahn, Margaret L. A. Hahn, A. C. Leger, A. R. H. Hahn, A. H. Hahn, J. W. Hahn, G. C. Hahn, M. E. Hahn, E. H. Hahn, P. J. Hahn.

HOT SEAT—BUT PILOT FOOLDED FLAMES

## GUARDSMEN TO ESTABLISH CAMP

### Will Leave For Beauregard For Two Weeks' Training Period

The annual national guard encampment will open at Camp Beauregard Sunday, July 16, and last through July 30.

Members of the service company, Monroe unit, of the 156th infantry, commanded by Captain George W. Trousdale, will leave Monroe over the regular southbound Missouri Pacific railroad at 7:15 a.m. Friday. They will go in advance of the men in order to prepare camp for Sunday.

The local units, also members of the 156th infantry, the Company G, rifle unit, commanded by Captain Louis F. Rolleigh, and the medical detachment, commanded by Captain W. L. Bendel, will leave Monroe for camp Sunday at 7:15 a.m., also traveling by a regular Missouri Pacific train.

It was said Thursday that there is a possibility that Captain W. L. Bendel may not go to camp this year because of urgent professional duties at a local clinic. In case he is unable to attend, Captain C. Prentiss Gray will be in charge of the medical detachment.

In past years the men have traveled by motor to Camp Beauregard but this year it was decided that the trip will be made by train.

Also national guard units Company F from Ruston and Company H from Minden have in past years come to Monroe to join the units here on their way to camp. This year, however, the Ruston and Minden men will proceed by train direct to Camp Beauregard without paying a visit to Monroe as a concentration point.

## CREDITS NEEDED TO ENTER COLLEGE

RUSTON, La., July 13.—(Special)—All first-term freshmen entering the fall semester at Louisiana Tech in September will be required to present a transcript of their high school credits in advance of their registration at the college, Mrs. Ruby B. Pearce, registrar, has announced.

The records should be mailed to the registrar's office or brought to

that office before matriculation. Mrs. Pearce said, and no student who has not attended to that detail will be permitted to enroll.

A previous practice of allowing freshmen to register without the high school transcripts having been filed has resulted in considerable delay before the records are completed, the registrar stated.

Preliminary freshman registration is scheduled for Monday, September 11, and the following two days will be

devoted to the admission of students.

Students will be admitted on September 11 and must enroll from 8:30 a.m. to 4 p.m.

## CASES SET FOR CIRCUIT COURT

Eleven Persons Face Trial Here Friday Before Judge Reeves

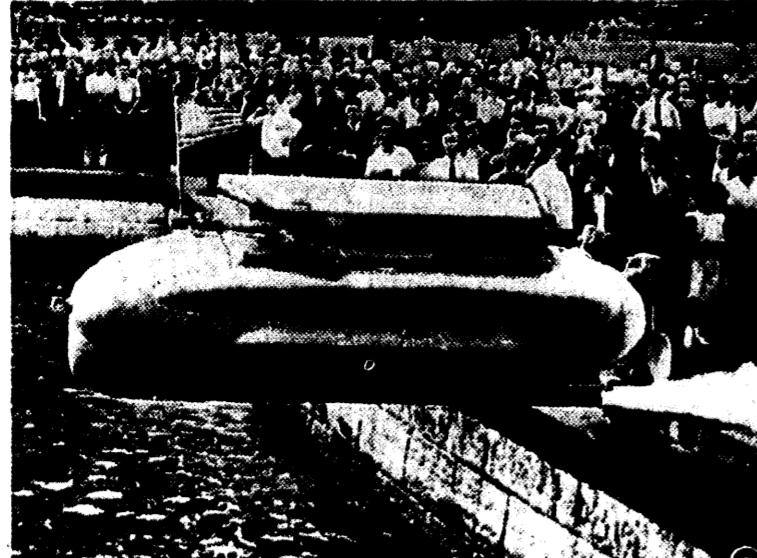

Eleven persons will face trial at misdemeanor day of circuit criminal court here Friday morning. Judge R. R. Reeves of Harrisonburg will preside over the court, which will begin at 10 o'clock.

C. J. Angell and Howard Honeycutt, who entered pleas of not guilty to charges of violating parish liquor laws in arraignment proceedings June 30, will face trial Friday on the charges. T. G. Kincaid and Luther Hood, negro, who plead not guilty to like charges June 30 also will face trial. All the men are charged with selling liquor between the hours of midnight Saturday and 6 a.m. Monday.

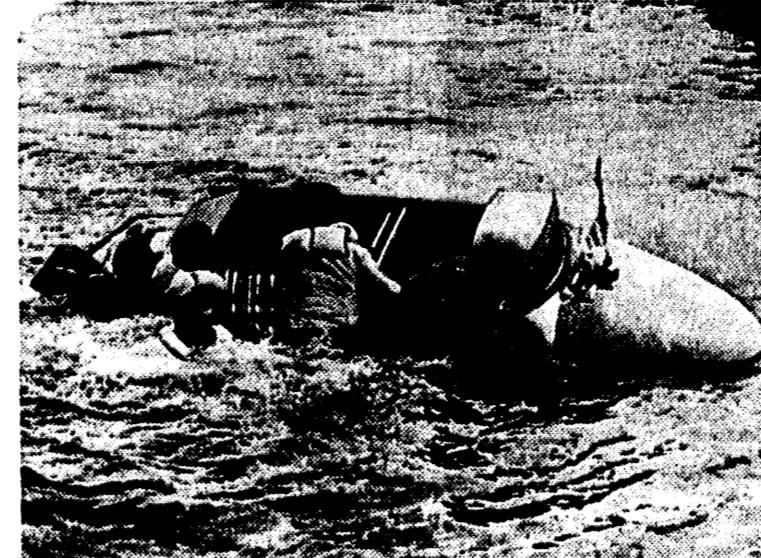

Edie Blackman, negro, will face trial on charges of making a false statement to obtain social security benefits. Elijah Chavis, negro, will be tried on a charge of assault and battery and Theresa Hamilton, negro woman, will face trial on a larceny charge.

D. V. H. Hines, who entered a plea of guilty to a charge of operating a motor vehicle while in an

## ROCKET LAUNCHES LIFEBOAT—AND ITS INVENTORS—INTO THE DRINK

"Whooosh" and the rocket-principled, self-launching lifeboat which took Brooklyn inventor Menotti Nanni two years to perfect, goes over a wall at the Battery, New York, carrying Nanni and his two sons, Martin and Nino, into the water. A moment later, the Nannis' pride listed so badly they had to scramble overboard, as seen right, giving the crowd on shore an extra thrill. Mr. Nanni announced he would fix something or other and try again.

prints taken by the Monroe police department of the man, who told authorities here his name was F. P. Thomas, identified him as Tallington and Alabama authorities were notified that he was being held here for them.

**BEAR QUADRUPLETTS**  
SEQUOIA NATIONAL PARK, Calif.—(P)—An event rare in the wildlife—birth of bear quadruplets—has occurred twice this season in Sequoia park. Naturalists say the normal litter for a bear is two cubs.

**NEWPORT, ENGLAND**  
(P)—An all-new crew spread of heavy two-toed toads was found by a team here. Odds against a toad's being about 10,000 to one.

## WAKE UP YOUR LIVER BILE—

Without Calenol—And You'll Jump Out of Bed in the Morning Rainin' to Go

The Liver should be kept in top condition, free of fat, for full energy. It just doesn't do the body any good to let your stomach get over-stimulated. Your doctor can prescribe Calenol.

A mere tablet a day doesn't get at the cause. It keeps the liver in top condition, so you can make the most of the day. For a week, take Calenol and see how you feel. Then, in making the first call, ask your general practitioner for Calenol. Remember before buying any.

intoxicated condition before the court June 30, will face trial on the charge and Son Lynn, negro, who is charged with reckless driving, also will be tried.

Edward Curry and Ben Forte will be tried on charges of violating game laws. The eleven cases were the only ones listed on the misdemeanor day docket Thursday morning.

PEER'S DAUGHTER WILL WED CLERK

## FIELD DAY AT CALHOUN SET

### North Louisiana Parishes Will Meet There July 18 And 19

Examination of fruit demonstrations and tests will feature the north Louisiana field day, which will be held at the North Louisiana experiment station near Calhoun July 18 and 19.

The field day will be divided into two one-day sections to take care of the results of 18 parishes in the region that are expected to be represented.

Dr. N. D. Morgan, bacteriologist at the experiment station, is in charge of the events, and agricultural agents in each of the 18 parishes have been asked by him to write him the ap-

proximate number of persons expected from each parish.

Fruit that will be shown during the day are Hiley, Georgia peaches, Elberta and Hale varieties of peaches, the brilliant variety of apple, and the Young orchard showing of different varieties of fruit and different fertilizer studies.

A demonstration of the budding of peaches and sweet potato studies also will be given at the experiment station. Watermelon fertilizer and variety tests will be included in the two-day activities.

INDIAN TORN BY GRIZZLY TREATED 8 MONTHS LATER

EDMONTON, Alta., July 13—(P)—A Chipewyan Indian, whose face was almost torn away in a fight with a grizzly bear, received his first medical aid eight months later from Edmonton doctors who marveled that the man still lived.

The Indian, member of a wandering tribe of hunters, suffered a double fracture of the jaw, gaping wounds in the neck, head, hands, feet and face.

He crawled through the brush for eight hours to his camp and recovered after first aid treatment by members of the tribe.

The Indian, who cannot speak English, might never have been brought to a hospital had he not passed recently by an Indian reserve where he was seen by a nurse.

Physicians said the Indian was deafened by the wounds and his eyes were seriously injured, but they believed he would recover.

JOURNAL SAYS ICE WATER NOT HARMFUL

CHICAGO, July 13—(P)—Ice water is not harmful, as many persons believe, the Journal of the American Medical Association said today.

"There is no reliable evidence that ice water, watered from 37 to 50 degrees F., causes chronic injury to the alimentary tract," it reported.

Taken in large quantities with a meal, it probably through coldness, slows down gastric digestion for a few minutes. But, this is probably of little significance."

The Journal said that, although tepid or warm water meets the real need of the body, many people prefer ice water because it tends to produce the impression that the real thirst is stopped almost at once.

GIRL FASTS TO GET STEPFATHER HOME

MEMPHIS, Tenn., July 13—(P)—An 11-year-old girl has gone on a "hunger strike" here in the hope it will bring her stepfather home again.

The stepfather, Ellis L. Chambers, left Saturday, presumably seeking a job as a painter. The girl, pretty Grace Virginia Palmer, pined over his absence until Tuesday and then stopped eating, her mother said.

Grace Virginia just sat on the porch and looked up the street. Mrs. Chambers said she had threatened to "run off and hunt for Daddy Ellis." She expressed fear for the child's health. Ironically enough, shortly after Chambers left home, two former employers called. They had work for him, his wife said.

TERRAPINS DODGE WATER LAREDO, Tex.—(P)—The terrapin is a member of the turtle family but he doesn't like water. After heavy rains in south Texas, thousands of the slow-moving creatures could be seen ambling across the highways seeking refuge on high and dry land.

Enjoy these Superb Facilities

NOT the largest Chicago hotel but the very newest—and talk about value—no other Chicago hotel can compare, dollar for dollar, with the ultra-modern facilities and service that keeps guests continually coming back to this fine hotel. Sparkling rooms and luxurious suites, each with tub and shower bath, circulating ice water and servitor. Three colorful dining rooms, including a popular-priced coffee shop. Ideal location in the center of things to do and a step from world-famous Michigan Boulevard.

## THE ARMY POST MURDERS

By Virginia Hanson

### The Characters

Katherine Cornish, myself, living Elizabeth on a mid-western Army post. Elizabeth, Colonel Wright's daughter. Adam Drew, acting commanding officer.

Yesterday: The weapon a Malay knife belonging to Elizabeth's father, is found in the ice cream freezer.

### Chapter 25

#### Company For Charlie

THERE were still six cars parked in front of the old T. S. Bassett and Mrs. Dreyfus Inn. We watched from the veranda as they turned, all alone. Officers Rutherford and his young maid came in the entrance.

It was a long time ago I could

remember when I had a quiet life in a simple house.

As I sat in my chair I said, "It's always the same old story. A man's wife disappears. As a result of that he becomes a suspect in the killing of his wife."

He was sitting across from me.

"How do you know he's innocent?"

"I don't know," I said.

"But I know he's not guilty."

"What's the difference?"

"It's the difference between

innocence and guilt."

"I'm not guilty," he said.

"I'm not innocent," I said.

"I'm not guilty," he said again.

"I'm not innocent," I said again.

"I'm not guilty," he said again.

"I'm not innocent," I said again.

"I'm not guilty," he said again.

"I'm not innocent," I said again.

"I'm not guilty," he said again.

THE MONROE (LA.) NEWS-STAR

## FEDERAL HELP NOT SEEN FOR MELON GROWERS

### Op Would Spoil Before FSCC Could Authorize Purchases

With watermelon growers of this area seeking some market for their crop after having refused Wednesday to ship any more melons at prices estimated at half the cost of production, efforts of Ouachita and Lincoln Parish agricultural and civic organizations to get the Federal Surplus Commodities corporation to purchase the crop appeared to have fallen through Thursday.

D. L. Bornman, Ouachita agricultural agent, received a telegram from Senator Allen E. Ellender of Louisiana Wednesday stating it would take about 10 days for authorization of the purchase to go through FSCC channels. Farmers in the region estimated

their crop would be spoiled if not moved within five to ten days.

Senator Ellender stated in his telegram that it first would be necessary to obtain authorization for the purchase from the secretary of agriculture, stating further that the application for purchase of the melons by the FSCC must be backed up with data showing existence of the surplus and necessity for government purchases.

Growers who had been shipping their melons from Calhoun in Ouachita, Tremont in Lincoln and Cartwright in Jackson parish, stopped shipment after the price of the melons fell to 15 cents a hundred pounds Tuesday. Shipping from the points began July 3 with 45 cents per hundred pounds being paid in cash transactions at the shipping points, but the price had dropped to 25 cents Monday, and it reached 15 cents Tuesday.

Mr. Bornman said the best melons are now ready for shipping, but that the price growers are offered for them is estimated to be only enough to pay for the cost of harvesting.

The agent said a survey in Ouachita, Jackson, Lincoln and Union parishes showed 1,200 farmers in the four parishes used 6,100 acres for the production of watermelons this season.

The earliest long distance roads in Europe were laid out and used by traders gathering amber.

## HERE IS HOW MALARIA FEELS

### Treatment of First Symptoms Prevents Chills and Fever

Nine out of ten Southern people have malaria. In cases of chills and fever, West S. Allen recommends that you take a bottle of Nash's C & L Tonic right now. You will feel so much better before they take a bite.

If you feel tired, lazy, hate to get up in the morning, can't sleep, are nervous, etc., take a bottle of Nash's C & L Tonic right now and get a bottle of Nash's C & L Tonic. It only costs 5¢. Remember the money-back guarantee.

## BAILEY WILL CALL SESSION

### Announces Arkansas Assembly Will Assemble At Noon Friday

LITTLE ROCK, Ark., July 13.—(AP)—Governor Carl E. Bailey announced today the intention of convening the Arkansas general assembly in its second session of the year at noon Friday to consider legislation essential for a one-operation refunding of the state's \$140,000,000 highway bond indebtedness.

Little more than four months ago, the 60-day biennial meeting of the legislature was adjourned.

Bailey said that the extraordinary session would get under way Friday unless "some unanticipated obstacle arises" in the drafting of the refunding bill.

Predicting adjournment by next Wednesday, administration leaders expressed the view that the legislature would require less than a week to pass the proposed legislation. The governor has said that refunding would be the lone subject in his call.

The chief executive set plans in motion for the convocation following a state supreme court ruling last Monday holding invalid an executive order for sale of \$140,000,000 in state bonds in August to obtain funds for retirement in October and January of an equal amount of outstanding obligations, bearing high interest rates. He said that a syndicate of 150 nationally known banks had agreed to buy the bonds in August.

The tribunal held that he could not proceed unless the legislature vested him with additional authority to that grant.

Bailey told a conference of legislators that his plan would make available \$8,000,000 annually for road maintenance and construction. The 1934 refunding act prohibits use of state funds for highway building.

## BREATHING STOPS 40 MINUTES, SHE LIVES

CHICAGO, July 13.—(AP)—Dr. D. H. Werden of San Diego, Calif., reported today the saving of a 14-year-old girl's life after breathing had ceased for 40 minutes by removing a brain tumor.

Writing in the journal of the American Medical association, the physician stated that now, 18 months after the operation, the patient's speech and mentality were normal. The only apparent after effects were blindness and some difficulty in walking.

The respiratory paralysis, Dr. Werden wrote, was compensated for by immediate artificial respiration. There was a prolonged period of unconsciousness which he ascribed to insufficient oxygen in the brain tissues. He said the condition was sufficient to cause blindness but not mental impairment.

Dr. Werden said acute respiratory failure frequently caused death unless the tumors were removed.

The principal kinds of cheese made in England are Cheddar, Cheshire, Stilton, Gloucester, Wensleydale, Derbyshire, Leicestershire, Cottingham, Lancashire, and Dorset.

## MIDNIGHT SHOW SATURDAY!

The marital bliss of Irene Dunne and Fred MacMurray, as they appear in "Invitation to Happiness," is almost shattered by prize fighter MacMurray's ambition to be champ. Pivotal drama, rather than violent fistfights, marks the tenor of the Paramount film which will be the midnight show attraction Saturday at the Paramount theater.

## SPEAKER TELLS OF WORLD WOES

### Rev. Holcomb Blames Greed Of England For Hitler's Rise

The Kiwanis club listened to an interesting talk by Rev. Luther Holcomb, Nashville, Tenn., at their regular luncheon in Hotel Virginia Wednesday noon, when he took for his theme "Youth Looks to the American Business Man."

The speaker, who is now conducting a revival series at the First Baptist church here, told of his recent visit to the Holy Land and of the fear of war in evidence everywhere he went.

There were trenches in London parks and also in Paris, and valuable art glass was removed from windows of churches and cathedrals that they might not be destroyed in the event of aircraft raids.

He quoted from President Wilson and others showing that wars in the past have been commercial wars based on greed and the desire for expansion. He called attention to the reversal of the president's attitude toward neutrality and stated that we are getting into a wartime frame of mind.

Hilter, he said, plays a shrewd game, supplying arms to Palestine and otherwise engrossing her attention in other parts of the world, so as to divide her armed forces. He likewise held England responsible for conditions in Germany, stating that it was caused by her greed at Versailles, and that at any time prior to 1930, she could have prevented the rise of Hitler. He then asked "Who dominates the thought of America? Is it not the preacher or the lawyer, though they have in the past, but the business man, who through the service clubs

can and does exert a great influence."

He told of being in Louisville during the flood of several years ago and of how the business men of that city arrested panic and later every evidence of flood was removed. He also told of the fine spirit of cooperation shown there between men in various vocations and of various religious opinions, telling of how a Protestant had insisted on ringing the church bell for early mass, rather than to permit the priest to endanger his life by doing so.

"The world today does not need men nor sand bags to stem the flood, but it needs God," he asserted.

He concluded by an appeal from the youth of America to its business men to so mould public opinion and to so control the destiny of the nation as not to endanger the flower of the youth as it did a little over 20 years ago.

In the absence of President S. A. Moss, Vice-President Charles Fleming presided. He made a report of the monthly board meeting recently held.

## KIDNEYS MUST REMOVE EXCESS ACIDS

### Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acid waste in your blood, it may be flushed out by Doan's Pills. These tiny filters and tubes are working day and night to help Nature rid your system of poisonous waste.

When the kidney disorder permits potassium matter to remain in the blood, you won't feel well. This may cause nagging headache, rheumatic pains, leg pains, loss of pep and depression. Doan's Pills help remove wastes under the eyes, headache and dizziness. If you have trouble with frequent or scanty passages of urine, Doan's Pills may be doing something wrong with your kidneys.

Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, used immediately for kidney trouble.

They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## SOX TROUNCE BUCKS 11-3 TO SWEEP SERIES

Second-Place Crackers Open Three-Game Series With Monroe Here Tonight

The Monroe White Sox blazed out to a 10-3 victory over the Greenbackers yesterday afternoon, then packed up and left again this morning and made a clean sweep of the three-game series.

The Sox were well prepared for the third game, getting the day off yesterday. The Greenbacks, however, had to play their second game in a row, and it was evident that they were not at their best.

Tom Petty, the crack pitcher, was the star of the show, striking out 12 batters and allowing only four hits.

He was supported by his teammates, who scored 11 runs in the first three innings.

The Greenbacks, however, fought back in the fourth inning.

They scored three runs in the fourth, but the Sox responded with four of their own.

The Greenbacks then scored two more runs in the fifth, but the Sox responded with three of their own.

The Greenbacks then scored one more run in the sixth, but the Sox responded with two more of their own.

The Greenbacks then scored one more run in the seventh, but the Sox responded with three more of their own.

The Greenbacks then scored one more run in the eighth, but the Sox responded with four more of their own.

The Greenbacks then scored one more run in the ninth, but the Sox responded with five more of their own.

The Greenbacks then scored one more run in the tenth, but the Sox responded with six more of their own.

The Greenbacks then scored one more run in the eleventh, but the Sox responded with seven more of their own.

The Greenbacks then scored one more run in the twelfth, but the Sox responded with eight more of their own.

The Greenbacks then scored one more run in the thirteenth, but the Sox responded with nine more of their own.

The Greenbacks then scored one more run in the fourteenth, but the Sox responded with ten more of their own.

The Greenbacks then scored one more run in the fifteenth, but the Sox responded with eleven more of their own.

The Greenbacks then scored one more run in the sixteenth, but the Sox responded with twelve more of their own.

The Greenbacks then scored one more run in the seventeenth, but the Sox responded with thirteen more of their own.

The Greenbacks then scored one more run in the eighteenth, but the Sox responded with fourteen more of their own.

The Greenbacks then scored one more run in the nineteenth, but the Sox responded with fifteen more of their own.

The Greenbacks then scored one more run in the twentieth, but the Sox responded with sixteen more of their own.

The Greenbacks then scored one more run in the twenty-first, but the Sox responded with seventeen more of their own.

The Greenbacks then scored one more run in the twenty-second, but the Sox responded with eighteen more of their own.

The Greenbacks then scored one more run in the twenty-third, but the Sox responded with nineteen more of their own.

The Greenbacks then scored one more run in the twenty-fourth, but the Sox responded with twenty more of their own.

## THE MONROE (LA) NEWS-STAR

**SOX TROUNCE  
BUCKS 11-3 TO  
SWEEP SERIES**

(Continued from Eighth Page)

He caught Hargrove off first for a double play to retire the side. Three hits and another base on balls contributed three more Sox runs. In the sixth, Hackney left off with a double into right field. Pruitt lined out to Ray Bagrody at third, but Taylor singled, sending Hackney to third. Bobbi Cummings took Jones' Texas league over short to rob the Sox first baseman of his hit. Peery walked, and Hill tripled against the right field fence, driving Hackney home and Peery. Conway grounded out for the third out.

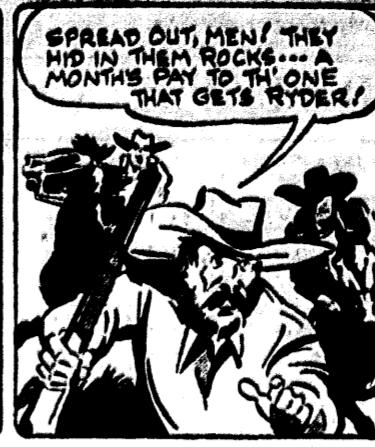

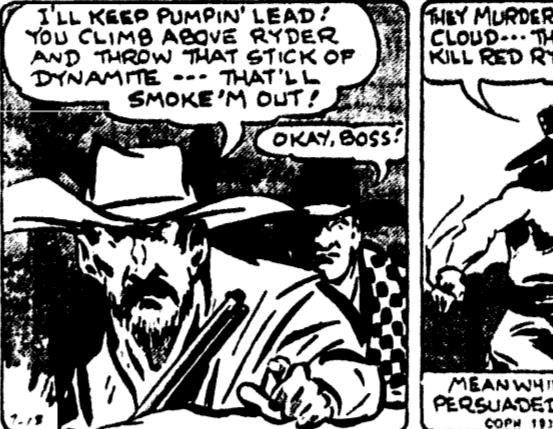

Greenslade added another unearned run in the eighth. Buck grounded to Conway but was safe when the throw to first was low. Cummings got his second double of the game to score Dick.

The Sox tapered off with four more runs in the last half of the eighth. Taylor's single past short, Jones was advanced to when he bunted foul in a one-out. Peery walked. Hill drove in the two. Taylor, Conway singled, and Peery drove in Hill and Conway. He went on to second as Wrigley fumbled the ball in the outfield. Hargrove was caught trying to steal third, however, and Taft popped out. Bobby Salsbury then ended the junior.

**THEY EXCEEDED ORDERS****JACK DEMPSEY RECUPERATING****NATIONAL ANCIENTS  
TROUNCE AMERICAN**

BOSTON, July 13.—(AP)—A band of National league ancients removed some of the sting of their circuit's latest disaster by Wednesday by giving an 8-4 victory in their oldtimers' game at Fenway park.

The veterans of the older circuit whacked such famous pitchers as Smoky Joe Wood, Walter Johnson, Cy Young, Eddie Plank and Herb Pennock for a total of 12 runs while their hurlers were holding such slingers as Tim Keefe, Harry Hooper and Duffy Lewis, the famous Red Sox outfit, in check along with the members of Connie Mack's \$100,000 infield. Stuffy McNamee, Eddie Collins, Jack Barry and Frank "Home Run" Baker.

Most of the National leaguers' success could be traced to the fact that their canny leader, Fred Mitchell, recent Harvard coach, inserted such kids as Horace Ford, Long George Kelly and Al Spohrer in vital spots in his batting order and they proved that they had not been inactive long enough to dim their batting eyes.

These "youngsters" were consistent at the plate, but the batting feature of the game was the booming homer that Joe Wood slammed over the left field wall in the eighth on one of Dr. George Gandy's gas offerings.

The American leaguers used a pitch-counting bat, their successful rivals making themselves to four, including the immortal Greasy Cleveland Alexander, who was knocked for three hits during his two outings thus.

**THROWN BALL KAYOS GOODMAN**

Ival Goodman, Cincinnati outfielder, beats out a bunt against St. Louis Cardinals, but stops Catcher Mickey Owen's tag with his head, as Johnny Moore stretches. The ball, bouncing high in air after striking Goodman, is indicated by arrow. After crossing home Goodman collapsed and was taken to hospital. He suffered slight concussion.

MR. MONROE WINCHELL

Had Been Needing

Gly-Cas For Years

Now Enjoying Good Health Again,

Bowels Are Regular, Those Awful

Muscular Cramps Are Relieved.

It is remarkable what Gly-Cas did

for me," said Mr. Monroe Winchell, 110

Oliver, a slender, strait-laced hotel hostess, Ark. For ten years I had

suffered with a stubborn case of constipation and in spite of the strongest of laxatives I seemed unable to show any improvement. I was forced to get up at all hours of the night because of frequent bladder action and restful sleep was simply out of the question. Toxic impurities began to settle in my joints and muscles with such cramping and pain I could hardly endure it. At times I could scarcely get around at all. I tried my best to get relief but met only with repeated failure . . . until I began Gly-Cas.

"It seemed I was turned about face" and started on the road to good health when I gave Gly-Cas the opportunity of helping me," continued Mr. Winchell. "I am now getting regular bowel action and am not disturbed by frequent bladder action but rest and sleep well each night since the clogged impurities are being removed. These horrid cramping pains are also relieved and too much praise can not be given to a medicine that does its work as well as Gly-Cas."

Gly-Cas is sold by Phoenix Drug

Company, 348 DeSard street, this city, and by the leading druggists in surrounding towns—Adv.

**PAUL RUNYAN QUARTER-HIT OF P. G. A. MID**

(Continued from Eighth Page)  
at rally by winning eight consecutive holes in the morning after coming down to pull out a 4 and 3 triumph over Clarence Dozer of Arkansas, who beat Guidakoff yesterday.

Koala's next assignment is to meet Byron Nelson, the United States open champion, who built up a 7-up margin on Johnny Revolta, 1935 pro champ, in the first 18 holes and, despite a slight slump in the afternoon, won by 4 and 4.

The other two berths in the upper half of the draw went to Henry Picard, who has won more money this year than any other pro, and Rod Munday, Runyan's assistant. Picard won 1-0, 10-9, 10-9 and 7 from Al Watrous, 40-year-old veteran from Birmingham, Mich., who collapsed on the sixth green in the afternoon from what doctors diagnosed as a combination of too many cold drinks and too much heat. Munday, carving three shots off par with an afternoon, 69, lasted to nose out Tom O'Connor, from Yardley, Pa., 8 up.

**SOUTHERN**

First Game

Chattanooga	.....101	231	000-10	12	0
Knoxville	.....130	024	20x-12	19	1
Williams, Bolen, Polli and Olsen
